

About Us

e21 is a fast-moving, fast-growing marketing communications agency with a focus on providing clients with marketing communications targeting US and Asia Pacific markets.

We leverage 20 years of experience in integrating Public Relations, Corporate Communications, Conference & Event Management, Web Marketing, Channel Promotions, and Product Branding with Print and Online Advertising.

With eight office locations in the US and Greater China and over 150 communications professionals to serve you, e21 provides powerful, 'wraparound' communications that drive sales, educate users, motivate distribution channels, improve e-business efficiencies, and position client companies for long-term competitive advantage.

With a growing clientele of international blue-chip companies to its credit, and unique in-depth experience in the Greater China marketplace to help both US and Asia-based clients, e21 has taken US-Asian marketing communications to a brand new level.
